The Movie for next Sunday, March 22, is “Love and Mercy: Faustina.” This is a docudrama about the incredible true story of a Polish nun, St. Maria Faustina Kowalski, and the special mission given directly to her by Jesus in the early 1930s. New light is shed on the truth of the Divine Mercy message. Scientific analysis included in the film indicates that St. Faustina indeed saw the Lord Jesus. He chose her to be *“the spark that will prepare the world for My Final Coming.”*

A movie is being shown every Sunday during Lent in our Social Hall, after Coffee Hour during Lent. These movies are a way to help our prayer life. Each different movie is separate, that is, not in a series. EVERYONE IS WELCOME!

The movie today, March 15, is “The Original Image of Divine Mercy.” This groundbreaking documentary tells the previously-unknown history of the original masterpiece commissioned by St. Faustina. Through a series of interviews with key witnesses and with individuals who are intimately connected to the painting, we follow the epic adventure of the greatest man-made work of art. The film has been endorsed by a wide swath of the curia and by the Vatican’s Pontifical Council for the Promotion of the New Evangelization.
